In Memory of Carl Lorence

We are saddened by the loss of a beloved member of KTA this past month in Carl Lorence. His dedication to trails was second to none, having served as a KTA Board Member and President of the Stand Stone Trail Club.

"Carl was one heck of a great person. Lorraine and I have known him for years, thanks to the KTA Trail Care, and have hiked extensively with him throughout that time. It was always a laugh a minute with Carl and we think and talk about him often. He will be sorely missed, but his adventures with us will never die."

-Joe Healey

Your Support for Trails

We at KTA would like to offer one last Thank You to everyone who contributed to our mission in 2020. Whether you gave your time or a financial gift, we are incredibly grateful. This past year was filled with challenges, but thanks to you KTA has continued to provide, protect, preserve, and promote recreational hiking trails and hiking opportunities in Pennsylvania.

You can support KTA through your online shopping at no cost with Amazon Smile. This year our Amazon Smile supporters have raised more than ever before for KTA. To join in, just use the link below and a portion of your purchases will be donated to KTA at no cost to you!

Select KTA as your Charity of Choice

Of course you can also donate to KTA directly. We greatly appreciate
contributions of any size and are so thankful to our supporters. Last year was difficult for all of us, and thanks to you, KTA was able to continue working for our mission. There were many setbacks and cancelations, but we are looking forward to the new normal and getting back into the action in 2021!

**Favorite Hiking Trail Survey**

Thank you to everyone who has completed the Favorite Trails Survey so far. If you haven't, we still want to hear from you! Let us know what makes a trail special, and which trails exemplify those values.

Visit kta-hike.org/trail-survey or email us listing a few of your favorite trails.

Please include location, brief description, approximate distance, and why you think it’s special, and please include any rail trail or historic trails as well. We will compile a list of these trails for our membership and it will help KTA in promoting and protecting trails in the Keystone State. Thank you!

**TRAIL CARE PROGRAM 2021**

The KTA Trail Care Program is gearing up again, after a sporadic season afield in 2020 due to the pandemic. Trail Care events are scheduled to begin in April of 2021 with a return to Reeds Gap State Park to continue work on the Reeds Gap Spur Trail. Covid-19 protocols will remain in place as determined by the status of the pandemic at the time of each individual Trail Care. Please refer to the KTA website on a regular basis for information about additional events and the latest updates regarding each scheduled Trail Care, and be sure to contact the leader of the events you plan on attending.

This year all regular Trail Care weekends will include a full day of work on Friday (previously known as a BTD or Bonus Trail Day). Volunteers will be able to arrive Thursday afternoon to the designated base camp or any morning by 7 a.m. As in past years, participants can work the days, Friday, Saturday and till noon on Sunday, that fit into their personal schedules. Of course, volunteering
for the entire time bestows the highest degree of personal satisfaction and greatest amount of Trail Care Karma.

Also, this year there will be two “Extended Trail Cares”. The first will be on the Mid State Trail, Everett Region (June 8-13) and the second on Chuck Keiper Trail (June 22-27). These events will begin Tuesday afternoon and last until Sunday. Volunteers for the Extended Trail Cares will have to provide their own food during the week.

Keeping safe while improving the trails and hiking experience on Pa.’s hiking trails is the goal for this year’s Trail Care Program. Join us!

**Hiker's Corner**

**Jeff's Jaunts - Scurry Overlook and Henry Run Falls-Cook Forest State Park**

This is a great hike with a view, a falls at a unique and beautiful dam, and an incredible hike along the Clarion River. This hike is about 1.5 miles, one way. At the small parking area along Gravel Lick Rd, follow the blue blazed North Country Trail (NCT) to the east. Climb through laurel and reach Scurry Overlook with its nice view of the Clarion River below. The trail drops and then follows the side hill of the mountain, passing some boulders.

Descend to hemlocks and reach Henry Run, cross over it on a bridge. Walk downstream to see the unique old sawmill dam with its 10-12 foot falls. The dam is unique with its large blocks of stone. The fact that it is still standing is amazing and a testament to its workmanship. There is a bench to sit on along the Clarion River, below the falls.

We continued along the NCT and the Clarion River to the River Trail, at which point we turned around. What a beautiful hike along this pristine river, under large hemlocks. We could hear the rattling calls of the kingfishers across the water. From there we retraced our steps.

The NCT is an incredible hiking destination across western Pennsylvania, featuring historic towns and diverse scenery.

**Legislative Update**

The Pennsylvania Legislature wrapped up the 2019-2020 Legislative Session on November 30. While the new session doesn’t officially start until January 1, 2021, legislators are allowed to start submitting new bills on December 1, and they aren’t wasting any time. There are already well over 600 co-sponsor memos circulating. Most are bills that died at the close of the 2019-2020 session.

KTA will keep you informed as we begin another year!
