## KTA Trail Challenge – Saturday, September 7, 2018

Event Description: A 50k and 25k Point-to-Point, 2-County, 12-hour trail event, with over 600 participants plus their families along the hiking trails of the lower Susquehanna Gorge. The 120 volunteers who help KTA achieve this undertaking are the reason we can pull this off together! You will be thanked, you might get exhausted, and you will feel really good for what you helped all these folks accomplish after this long day in beautiful Lancaster and York Counties! *Teamwork makes the dream work!*
